**Re: Implementation Plan of Wireless E-911 Phase II
Automatic Location Identification
Notice Pertaining to CC Docket No. 94-102**

SUPPLEMENT TO REVISED E-911 PHASE II STATUS REPORT

Dear Mr. Caton:

On November 29, 2001 and pursuant to the requirements contained in the Commission's Third Report and Order in CC Docket No. 94-102 and the Commission's related Public Notice, Mimeo DA 00-2099, released September 14, 2000, we filed with the Commission our revised report on the status of our implementation plans for Wireless E-911 Phase II Automatic Location Information ("ALI"). We hereby supplement the November 29, 2001 report at Paragraph No. 7, appearing on page 4, styled "Other Information," to contain the supplemental information set forth below.

B-911 Phase II Location Technology Information

7) Other Information: As stated in our November 29, 2001 report, the State of California has decided to bypass Phase I ALI entirely in favor of proceeding directly to Phase II ALI. We have received no PSAP requests for Phase II ALI; and, according to the draft plan circulated by the State of California, we will not receive any requests for our area (i.e., San Luis Obispo County) until 2004 or 2005 (See Attachment A hereto).

Respectfully submitted,
